

PRESS RELEASE:

LINDA L. REID will be guest speaker at the Muskoka Parry Sound Genealogy Group Saturday meeting June 18, 2016, 1:30 p.m. at the Family History Centre of the LDS Church in Bracebridge. She will be speaking on DNA and Genealogy.

Please join us for an afternoon of information for researching using your DNA.

Linda L. Reid is a retired librarian who lives in Toronto and has been researching her British roots for over 30 years. She has been using the Family Finder test for genetic genealogy since June 2011 and now manages over 30 kits for living people and 3 for relatives who have died since taking the test. Using the data of the real people she has created several Lazarus kits for long-dead relatives. Linda is active in the Toronto Branch of the Ontario Genealogical Society, presently serving as program coordinator and compiler of the branch's electronic bulletin. She has volunteered in the Toronto Family History Centre (of the LDS Church) for many years where she helps people research their family trees all over the world. She writes occasionally for the *Toronto Tree* and has written for the former Toronto Family History Centre bulletin. Linda has taught courses for Toronto Branch OGS and has spoken to meetings, conferences and workshops throughout Ontario.
